Kuchnie Świata S.A. is a reseller of food products for the HoReCa market. Our mission is to satisfy all, even the most sophisticated expectations of customers. We have been present on the Polish market for nearly 25 years. We are the most specialized supplier in the catering industry, particularly in Asian cuisine. Our goal is to provide the customers with products with authentic taste and aroma.

- We offer the highest quality food products to our customers all across the country.

- Knowledge and years of experience in importing food products from the farthest corners of the world have ranked Kuchnie Świata at the leader position.

- Our advantage is staying in direct contact with the manufacturers of branded products and foodstuffs on all continents. This is the reason we can supply the highest quality exotic goods at the most competitive prices.
We provide our clients with:

- comprehensive range,
- the highest quality products from the best manufacturers,
- competitive prices,
- continuity of supply,
- quick turnaround time,
- health and safety,
- training and consultancy.
Today, our portfolio of products dedicated to the HoReCa market consists of over 1500 items. We offer the largest range fish and seafood in Poland.
